Adrian L. Dunn Sr. #21571-045  
Case No. 09-00188-04-CR-XI-NKH  
Federal Prison Camp  
P.O. Box 1000

A request for a motion under 18 U.S.C. 4205(g) or 3582(c)(1)(A) To the Warden of Federal Prison Marion, I Adrian L. Dunn Sr. #21571-045, Am Writing you Concerning a Reduction In Sentence (RIS). This Initiation of request § 571.61 Extraordinary or Compelling Circumstances. I was enhanced from a 10 to life to a 20 to life Based on a prior simple possession of a Control Substance. I never appeared before any judge Concerning the Suspended Execution of Sentence of 3 years Probation. There is no hearing located on the date and Case No. provided by the Government to enhance me for such. I proceeded to trial and received this enhancement as a trial penalty after electing to exercise my Constitutional right to a trial. As of today the prior possession of a Control Substance would not qualify to enhance my Punishment. I have several Chronic health issues that's putting me in danger of this new Corona Virus. I have Asthma, High blood pressure, And I was just diagnosed with Chronic Lym Leukemia. I have a stable job, a family to return to, a family owned business that's been successful for over 10 years now "Luti's Fried fish" that's been providing for my house hold over the years. I am a non-violent offender with no incident reports in the 10 years and 9 months of being incarcerated

I have attached documents showing my argument about the prior conviction for enhancement that does not qualify anymore due to the First Step Act that was passed but did not make retroactive. I have four children that I am very close to that needs my guidance not just mentally but physically very bad. I have a motion in the courts right now that's pending for 3582(C)(2) and (C)(4)(A) Compassionate release but from my understanding now is that I was supposed to exhaust my remedies first through the Warden. I have completed several BOP programs over the years, including Out Patient residential drug program. I pray and hope that you would find in your heart to grant me a sentence reduction and Compassionate release to reenter into society and be with my family along with being a law abiding citizen.

Sincerely,

Adrian J. Lewis Sr.

Dear Mr. Dunn:

I am in receipt of your letter asking for help because you don't think your sentence was rightly enhanced based on a prior conviction. I'm sorry it has taken me so long to respond. I'm not sure why you don't think you have a prior conviction. You sent me the Judgment from Jackson County case number 01-390. It shows that you were convicted of the class C felony of possession of a controlled substance, and that you received a 3 year suspended sentence. That's a conviction which, at the time, qualified you for the enhanced punishment.

Today, that conviction would not qualify to enhance your punishment. However, the law that changed the definition of those qualifying prior convictions was not retroactive. In other words, you cannot use the new law to try to argue that you don't qualify for the enhanced punishment.

I'm sorry but I don't see any way to help you. Even if your prior conviction didn't qualify, I don't think I could file anything on your behalf. I imagine you would have to find some sort of habeas action to pursue.

Sincerely,

/s/ Laine Cardarella
